I grew up in Norwell, MA and am now living in Weymouth, MA. I graduated from Abraham Baldwin Agricultural College in Georgia earning an Associates Degree in Turfgrass Management and Valdosta State University in Georgia earning a Business Management Degree. In 1993, I started playing golf professionally and also started on the business side of golf. With all the years of giving lessons, professional education, and playing experiences, my Mission is to help guide people of all ages and skill levels to become better golfers. My passion, commitment, dedication, and thirst for knowledge will make your learning experience one of a kind.
